Enrollment: 682

"As senior year comes to a close, I sit and think about how fast the year went by and how much I will miss yearbook class. Being part of the yearbook staff was so much fun! I went from just a part of the staff to being one of the 3 awesome editors that had a huge hand in making sure the yearbook looks great. Zump was hands down the best teacher. She puts so much time and effort into the yearbook and her students. Yearbook class definitely takes a lot of time and dedication, as well as creativity, but it is so worth it. High school is short and it is important to remember it all, which is what yearbook staff is here for! We put together this book so you can look back on all the memories from the 2015-2016 school year. Congrats Class of 2016! WE MADE IT. I love you bunches, Zump! I also love my yearbook family!" -Ariel Heckler

"I was afraid to join the yearbook class as a 10th grader but after I had just a week to be with the Yearbook crew, they all became family to me.

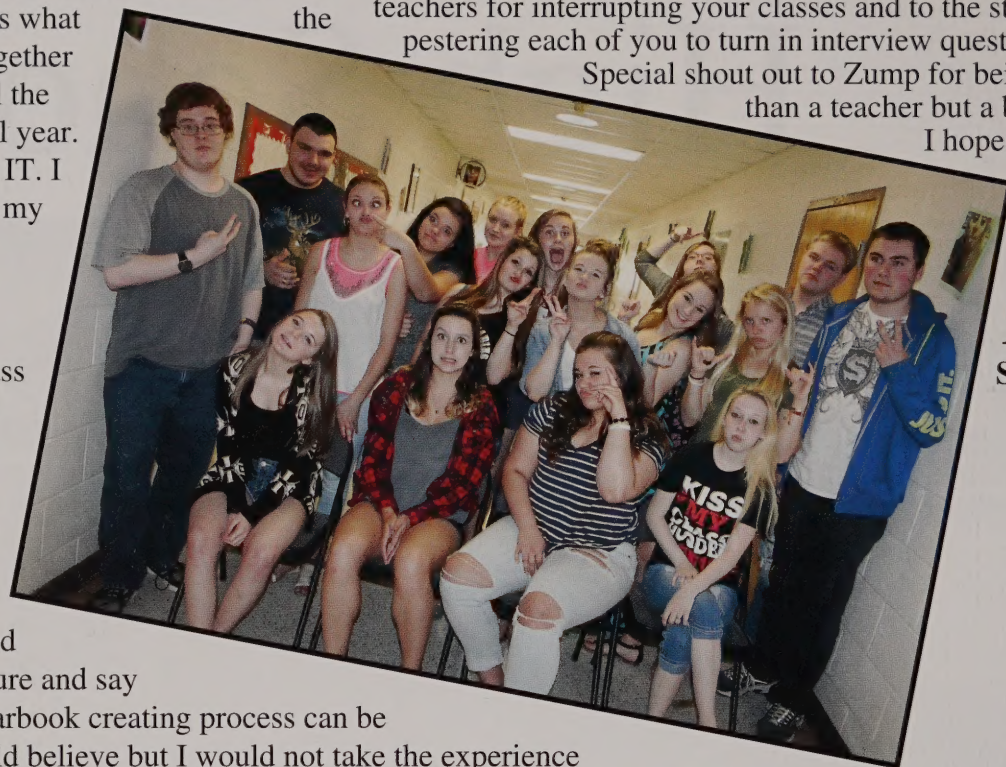

Creating the high school yearbook is more complicated and difficult than anyone can probably guess, but it's so worth it at the end to look back and say 'I did that page!' or look at a picture and say 'Wow that was so much fun'.

The yearbook creating process can be so much more stressful than one could believe but I would not take the experience back for the world. I appreciate everything Ariel, Kenzi, and Zump have done to contribute to this yearbook. We have finally come to an end of our school career and I wouldn't want it to be any different. I LOVE ALL THREE OF YOU. I encourage students to join next year and I will miss being a part of such an amazing team. Congrats CLASS OF 2016!!!" -Mikaylah Sines

Every year its always a guessing game to see who will join the yearbook team. Each year is always new and exciting. This year we got a late start but everyone worked hard and pulled it together. I can't thank Zump and all my yearbook girls for all the laughs and making this an awesome semester. I'd like to thank my sisters for getting me involved in yearbook. Most people don't realize how much work a yearbook requires, its a very exciting, creative, and innovative class. I have loved being apart of this awesome team for four years. I would like to apologize to all the teachers for interrupting your classes and to the students for pestering each of you to turn in interview questions.

Special shout out to Zump for being more than a teacher but a best friend!

I hope you all enjoy getting a view through a ram's eye.  
-Kenzi Smith

# 2016 Highlander Yearbook Staff

All I can say is, WOW. It's been a very long and difficult year but thanks to three great senior editors and some very hardworking and dedicated staff members, the 2016 yearbook is finished. Thank you to everyone, including parents and staff, for their support throughout the year. Without you this book wouldn't be possible. Good luck seniors as you move on and always remember your RAM family. May God bless each one of you with a beautiful and healthy future! Remember to always save a life--have your pet spayed or neutered! :) I love each one of you! -Ms. Zumpano

I might be the youngest, but I also wanted to let you know how much you mean to me. You have always been an amazing sister. God sure was looking out for me.. I not only got an amazing sister, I got two. You are caring, fun, and you have always been there for me no matter what. Always remember that I will always be there for you too. Do not change for anyone. You are awesome just the way you are. I love you, Kaitlyn!

Kierstin

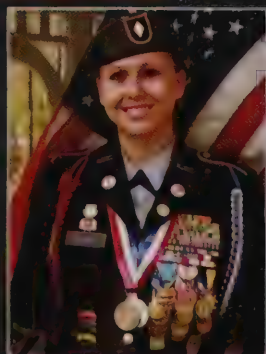

## Karrington Daugh

Always remember that in life we each walk a journey that no one else is walking. Never judge or underestimate what lies within us. You have faced many obstacles and challenges that were silent to many and often misunderstood, but look at where your spirit,

determination, and faith have taken you! From a patch on your eye to being an expert marksman! From learning the guitar at 1 to playing the guitar, mandolin, fiddle, banjo, and piano at 18! From singing God Bless America to learning to be an American! From saying since 3rd grade you wanted to be a nurse to being well on your way to making that a reality! When you think you are feeling defeated, just look at how far you've come! We love you so much Darlin' Girl!

Love,  
Dad, Mom, & Evan

*I'll always  
remember...*

"In 10 years I will always remember how gratifying it felt to put on a great show together. It's the most exhilarating experience that make all the struggles worth it. This year, as drum major, I loved getting so absorbed into the feeling the music that the rest of the world disappeared."

**-Lauren Frick**

"My favorite part about marching band was all the people who are involved. I will always remember the laughs and the memories I made with my band family. Thank you Mr. Elmlinger, Alicia Friend, and Meghan Fitzwater for influencing me to join marching band!"

**-Lillian Tasker**

"I will always remember how helpful the band members were to me and how welcoming everyone was. I played the Alto saxophone, then was moved to pit, I did not like the Alto. I loved the pit, mostly because the crash cymbals. I liked crashing them together. I loved being apart of this crazy band family."

**-Abby Kline**

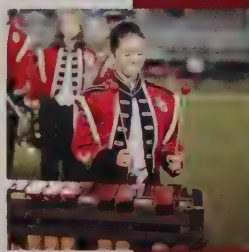

"I joined marching band because Mr. E's wife kept nagging me to try it out. I am so happy I listened to her and joined because I have made some great friends over the seasons. In 10 years I will always remember the time during practice where I sang a song to Rob McEwen."

**-Aaron Friend**

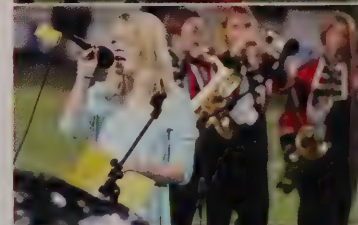

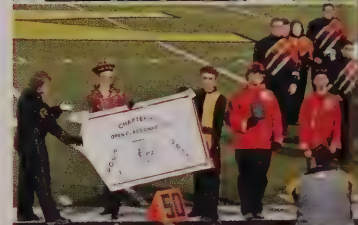

"In 10 years, I will remember how easily I was accepted into the band and how many friends I made, even though I was deathly awkward and afraid in the beginning. I am glad and can't wait to spend the rest of my high school years in with this great group of people."

## Highlights and Moments to Remember

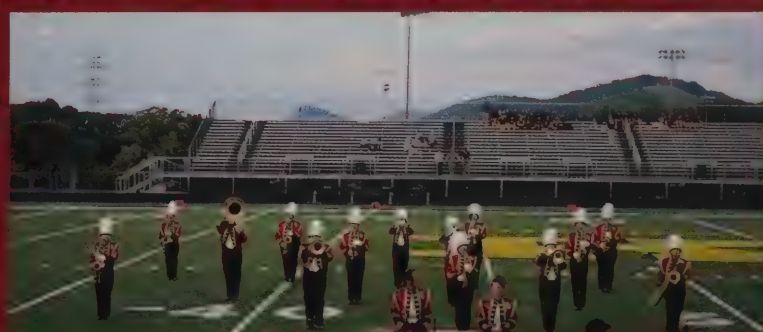

There were 33 marching band members: 3 freshman, 6 sophomores, 10 juniors, and 14 seniors.

Even though this year's band is the smallest it has ever been, the group earned 1st place at the Regional Championship with a score of 86.1 and won Chapter Championships for the second year in a row.

The members will always remember how everyone in the band was a family, **Aaron Friend** singing a song to Rob McEwen, spontaneous dance party, practices before shows and the beautiful music that was played at each competition.

"Each year's band works very hard to pave the way for next year's band. Year after year I receive some of the hardest working, kindhearted and determined kids our school has to offer. These are kids who understand commitment. They are kids who pick each other up when they fall (both figuratively and literally). They do not do what they do for trophies or rankings. They don't do it to win. They do it because they know the only way for our band to be successful is for them to work for the person marching next to them, to pick them up when they cry, to laugh with them, and to fight for every inch of success with them. Thank you for a great season!"

-Mr.E

# Cross Country

*I'll always remember...*

"My favorite part of running on the cross country team is winning and improving my score from meet to meet. I will always remember my freshmen year when Greyson Messenger went up to a few guys from another team who were taunting our guys and told them what's up, then walked away."

**-Declan Horner**

"I started running cross country my freshmen year and have always enjoyed being a part of an awesome running team and getting to throw up the blump, BLAH. I will always remember having fun with all my teammates."

**-Patrick Duggan**

"I will always remember the hard work during practices and meets. I will also remember the cabin and blumps. One of my favorite parts about running cross country is beating my own time every race. #likeabullet."

**-Michael Greene**

"Being part of the Southern High School cross country team since freshman year has been a great experience. We are a close team and always have fun when we are together."

**-Brodie Robison**

"When I look back on my Southern High School cross country career I will always remember winning Coach Scott's first state title. Guys don't ever forget the Blah!"

# Cross Country

*I'll always remember...*

"I will always remember Coach Randy doing the opposite of what we want but always pushing us to do our best. This year I received the award for most improved runner for the second time and made the varsity team. It was a good season."

-Amanda Lathbury

"When I look back on my cross country career I will always remember the man at Broadford who ran into a pole, when **Sam Swift** made it to states, all of the team bonding my sophomore year, and my senior "day". I will never forget placing 5th at regionals and 12th at states. I have a lot of memories these last four years and I'm thankful to be part of such a great team."

-Katie Keefer

"Cross Country is unique from all sports. Although you are part of a team, individually you must do your best. You can not rely on another teammate to do your work for you. To me, running is the best stress reliever. I will never forget how loving my coaches were and how they encouraged the team with kindness, told us to do our best and hugged us before and after each meet."

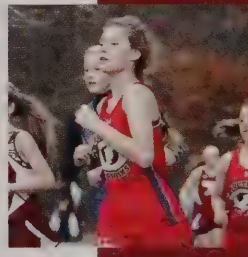

-Grace Ingram

"When I look back on this year's cross country season I will always remember the unforgettable memories I made with the team, the friends I made, and the life lessons I learned."

-Jessica Bow

"Even though **Katie** and I were the only individuals who qualified for states many of the other girls still traveled down to support us. I will always remember this because it meant so much to not only me but **Katie** as well. I will never forget the friends I made, pasta nights, movie nights, and bus rides to and from meets."

-Sam Swift

"We had a great season again. We fell short to the best team in the state, not just in 1A for the second year in a row. The accomplishments are so big again that people are getting accustomed to it. We had a great TEAM, everyone understood their role for the most part. We will miss all the seniors, but looking forward to another successful season in 2016-2017."

# Wrestling

"In 10 years, I will remember the great bus trips, hotels and my coaches. I decided to wrestle this year because I have been wrestling for 14 years. This season lived up to my expectations because I accomplished my goal of going undefeated and winning another state title. I will also always remember the family that was created."

- Devan Hamrick

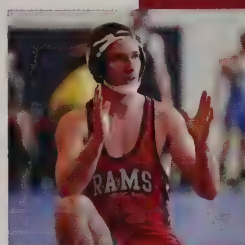

"In 10 years, I will remember the great coaches that helped me improve as a wrestler. I decided to wrestle this year because I wanted to finish out with it my senior year. The season lived up to my expectations because the team did very well. I will also always remember the great coaches and teammates."

- Bernie Sislo

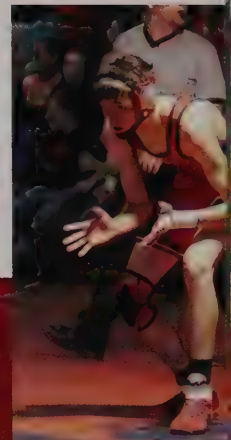

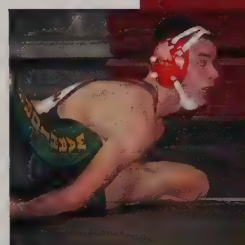

"In 10 years, I will always remember the great stories my coaches told at story time. I decided to Wrestle this year because I have done it since I was 6 and I love the sport. This season did not live up to my expectations because I fell short of my goal to make it to states. I will also always remember the HUGE meal I ate after the last match."

- Corey Horner

"I will remember the friends, coaches and great memories I made. I decided to wrestle because I loved the sport, it was my senior year, and I was beginning to get good. At the beginning, the season lived up to my expectations because the team and I were doing really well, then I broke my leg. I will also always remember my leg break and the state tournament."

The returning wrestlers were joined by an outstanding group of newcomers to become one of the most competitive teams at Southern. ## Coaches Quote:

"The 1st annual lift-a-thon was definitely a success. I had three goals in mind when I started planning the event:

1. create a competitive atmosphere to motivate kids to work hard over the course of the year leading up to the event.
2. participate as a TEAM in front of an audience.
3. raise money for the purchase of new weight room equipment.

As a whole, all goals were accomplished. Most kids were motivated all semester in hopes of qualifying for the event which served as a great motivator. The kids performed very well and were motivated to do whatever it took to WIN as a team. I think this was a great springboard for the event going forward."

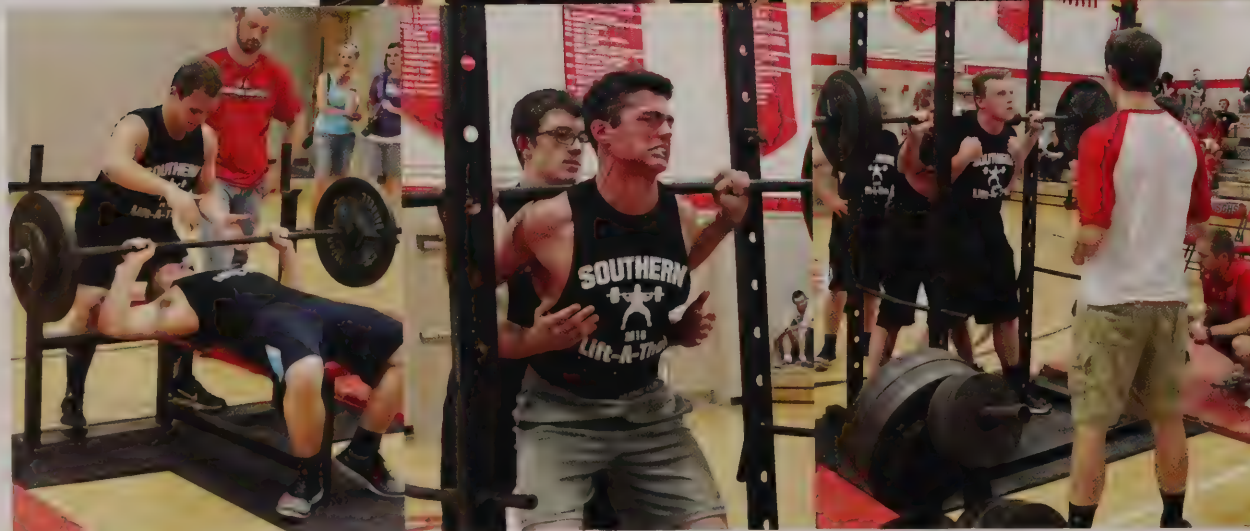

**-Coach Skipper**

# Southern Garrett's 1st Annual Lift-A-Thon

"My favorite part of the lift-a-thon was watching all the teams support and push each other. Lifting every week and pushing myself helped me prepare for the lift-a-thon. I love to squat because my legs are stronger than my arms."

**-Megan Koziarski**

"I like the atmosphere of the gym and everyone watching you lift. I also liked being cheered on by almost the entire school while attempting a lift. I prepared myself both mentally and physically in class during maxes. Squatting is my favorite because I am best at and I like working working my legs."

**-Bryson Bittinger**

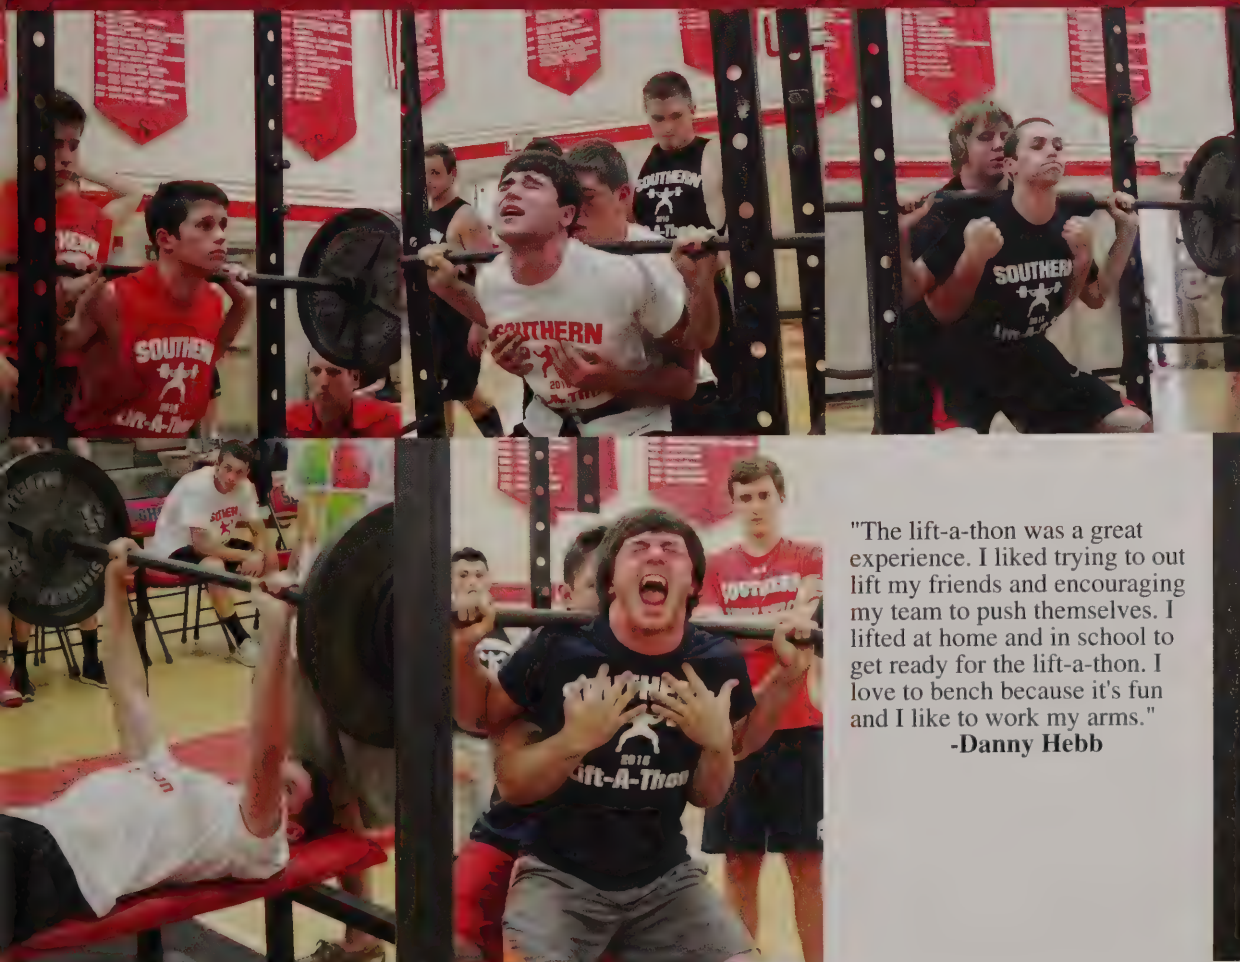

## Final Results:

1. **Black**  
2. **Navy**

3. **White and**  
**Red (Tie)**

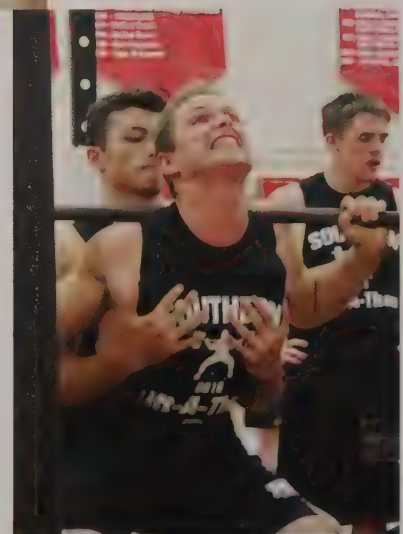

"I liked participating in the lift-a-thon because it was fun to compete against my friends in front of the school. Before the lift-a-thon I took lots of pre workout to get hyped. Personally, I enjoy bench press because it is my best lift."

-Brandon Mersing

"The lift-a-thon was a great experience. I liked trying to out lift my friends and encouraging my team to push themselves. I lifted at home and in school to get ready for the lift-a-thon. I love to bench because it's fun and I like to work my arms."

-Danny Hebb

## A Message from Ms. Zumpano:

Without the students, parents, coaches, teachers, and community members this 2016 yearbook would not be possible. Thank you all for the pictures, information, scores, ads, quotes and assistance in creating this memory book.

A special thank you to the following community members for providing multiple pictures from this year's events. I can't thank you enough.  
 Alex Flanigan  
 Art Hanlin  
 Shari Miller  
 Lindsay Mulliken

Thank you Brianna Evans for your front cover design. I will miss you next year.

Of course, I can't forget the SHS administration and staff for their support throughout the year. Your tolerance of me and my students is very appreciated. I definitely work with the best staff!

**A big THANK YOU to the students!**  
 Without your cooperation, this yearbook would not exist. You have been very cooperative with me and the yearbook staff. Thank you for the countless number of pictures you have provided us. I hope this book provides you memories that will last a lifetime. I'm honored and proud to teach in the best school in the area and to work with the best students!

On a personal note: Always be kind to one another. Never pass up doing someone a favor and please save a life...get your pet spayed or neutered.

God bless each one of you! I love you all!

-Ms. Zumpano

It is possible that this index is not 100% complete or accurate. The yearbook staff did their best to identify everyone and identify every correctly. However, you may be on a page that is not listed beside your name in the index. And you may also be listed in the index for a page that you are not pictured on. We apologize for any errors and the errors were not done on purpose. Thank you.
